ABOUT

Azim Premji University invites applications to its Undergraduate Programme awarding degrees of Bachelor of Arts (Economics or Humanities) & Bachelor of Sciences (Physics or Biology). The programme is conceived as an educational experience that prepares reflective citizens, capable of meaningful engagement in work and in society. This is a 3-year, full-time, residential programme based in Bengaluru. Azim Premji University was established by the Azim Premji Foundation in 2010. It was founded with a clear social purpose, as part of a larger strategy to contribute to the Education and Development sectors in the country.

Our vision is “Education for social change, to contribute to the realization of a just, equitable, humane and sustainable society”.

We offer undergraduate, postgraduate and continuing education programmes that aim to prepare students with great competence, integrity and social commitment. Our research programmes also further the development of knowledge and education in the same fields.

Our students are encouraged to explore their interests and raise questions that they think are relevant. They are mentored by faculty who are committed to their learning. Our programme will help you:

- ❖ Build critical thinking and analytical capabilities through our Common Curriculum
- ❖ Understand India, its opportunities and challenges
- ❖ Explore diverse academic fields through specializations in the Sciences, Social Sciences and Humanities

ELIGIBILITY

Class 12 / Pre University certificate from any recognized Indian Board or any valid international certificate equivalent to Class 12.

Applicants appearing for their final examinations by June 2017 are eligible to apply. Applicants who have completed their Class 12 / Pre-University board examination in 2016 are also eligible to apply.

The offer of admission is provisional till proof of successful completion of Class 12 / Pre University study is provided. Applicant should not be older than 19 years of age as on July 1, 2017 and should have successfully completed 12th standard examination (or its equivalent) with a minimum of 50% marks. PROGRAMME STRUCTURE

Students are required to choose one major area of disciplinary study. In addition, students can select a disciplinary Minor or study an interesting mix of courses from many disciplines.

COMMON CURRICULUM

All students in the programme study areas and themes that we believe are necessary to make learning effective, rich and satisfying.

Foundations: Critical thinking, reasoning and effective communication.

Creative Expressions: Art, Music, Craft, Theatre, Sports and other creative expressions.

Understanding India: India's history, language, culture and society through interdisciplinary study.

Minor: Students choose a Minor from several options including Data Sciences, Development and Sustainability, Education, Applied Mathematics, Physics, Biology, Economics, Humanities (*The University does not guarantee that every student will be able to register for a particular Minor of his/her choice. We will help students choose Minors based on our evaluation of the student's interests, academic needs and available course*)

The B.A. and B.Sc. programme offers Sciences (Physics & Biology), Social Sciences (Economics) and Humanities streams. Students can take up additional research work and get an **Honours degree**.

SPECIALIZATIONS

Majors and Minors help build disciplinary knowledge and appreciate the excitement of a subject and its applications. Emphasis is on active and participative learning. Discussions, research projects and field visits are an important part of the curriculum.

Humanities Major

An exploration of the diversity and richness of human history, thought and experience. This Major comprises courses in History, Language, Literature and Philosophy.

Social Science Major

Explore the nature of collective life, its impact on individuals and the ways in which societies are organized and structured. Major offered in Economics.

Science Major

Build a deeper understanding of the natural world and an appreciation of how this understanding created today's technology. Majors are offered in Physics and Biology.

THINK BROADLY, DEEPLY AND DIFFERENTLY

COMPETENT AND COMMITTED FACULTY

Our faculty is experienced and competent, meeting high standards of teaching and research. They are committed to go beyond contributing to your academic success, enabling you to develop as a successful and responsible citizen of the world.

FINANCIAL SUPPORT

Azim Premji University has an explicit commitment towards supporting students from disadvantaged backgrounds. We provide financial assistance for deserving students to pursue their education with us. We offer need based scholarships (both full and partial) and facilitate education loans for students.

COMPREHENSIVE STUDENT SUPPORT

We are committed to investing time and resources to ensure overall student well-being. We do this in many ways:

- ❖ High faculty-student ratio
- ❖ Opportunities for research
- ❖ Tutoring and mentoring
- ❖ Career guidance

A WORLD OF POSSIBILITIES

Our graduates can explore many options – interesting work opportunities or higher studies, including Azim Premji University's Postgraduate Programmes.

ADMISSIONS

Applicants will go through a written test to assess their English language and quantitative capacities. Shortlisted applicants will be called for personal interview. Application forms and more details on Admission process are available on the [University website](#).
