Workshops for Mathematics Teachers in Kolkata

Organised by Azim Premji University and Ramanujan Mathematical Society

Bangalore, November 3, 2015: Azim Premji University and Ramanujan Mathematical Society (RMS) have announced the second in the series of 2-day workshops for Mathematics teachers of class 9 to 12 at Kolkata, on November 21-22, 2015. Each workshop will witness participation from around fifty teachers from neighboring schools in the city. Two teachers from each school can participate in the program. The workshops will be held at Calcutta International School, Kolkata. The registration is now open and will close on 15th November, 2015.

The main objective of the workshop is to provide a platform for Indian Mathematics teachers from across the country to share and advance their knowledge and experience in the subject.

RMS sessions will be based on topics carefully selected to suit the teachers’ needs and interests. Azim Premji University’s sessions will be based on high school mathematics and is conducted in collaboration with At Right Angles, a high school mathematics resource which is a joint production of Azim Premji University and Community Mathematics Centre. At Right Angles is addressed to mathematics teachers, teacher educators and students connected with the subject.

Workshop Schedule:
Between 9.30 a.m. and 4.45 p.m.

About Azim Premji University: Azim Premji University was established as a not-for-profit, private, autonomous university under the Azim Premji University Act 2010. The University has a clear social purpose of working towards a just, equitable, humane and sustainable society. Azim Premji University plays a critical role in developing new talent, building capacity in existing functionaries and creating domain knowledge in the fields of education and in development. The Azim Premji Foundation is the sponsor of the University. The roots of Azim Premji University lie in the learning and experience of a decade of work in elementary education by Azim Premji Foundation. The University is one of the Foundation’s key responses to the challenges confronting the education and development sectors in India.
