About the Programme

Azim Premji University invites applications to its Undergraduate Programme - 3-year B.Sc. degree (Physics, Biology or Mathematics) and B.A. degree (Economics or Humanities) and 4-year B.Sc. B.Ed. dual-degree (Physical Sciences, Life Sciences or Mathematics). The programme is conceived as an educational experience that prepares reflective citizens, capable of meaningful engagement in work and in society. This is full-time, residential programme based in Bengaluru.

Azim Premji Foundation, the sponsoring body set up the University as a fully philanthropic and a not-for-profit entity, with a clear social purpose. We offer undergraduate, postgraduate and continuing education programmes that aim to prepare students with great competence, integrity and social commitment. Our research programmes also further the development of knowledge and education in the same fields.

Our Philosophy

• Our community of faculty and mentors cares for each student and their needs.
• We help each of our students understand their hopes and capacity to nurture their dreams.
• We encourage you to think about the world we live in and India’s complex past and present.

Our Vision

A just, equitable, humane and sustainable society.

Education For Social Change

AGE LIMIT

You should not be more than 19 years of age while joining the programme. If you are above 19 years of age, write to us at ugadmissions@apu.edu.in
## Committed Faculty

Our faculty is experienced meeting high standards of teaching and research. They are committed to go beyond contributing to students’ academic success, enabling them to develop as a successful and responsible citizen of the world. Please visit the University website for Faculty profiles.

## Vibrant Student Life

Our diverse student population and residential nature of the programme has created a vibrant community life for our students. Clubs, committees, sports and other initiatives ensure that the learning is not limited just to the classroom.

## Financial Aid

Azim Premji University has an explicit commitment towards supporting students from disadvantaged backgrounds. We provide financial assistance for deserving students to pursue their education with us. We offer need based scholarships (both full and partial) and facilitate education loans for students.

## Comprehensive Student Support

We are committed to investing time and resources to ensure overall student well-being. We do this in many ways:

- High faculty-student ratio
- Opportunities for research
- Tutoring and mentoring
- Career guidance

## A World of Possibilities

Our graduates can explore many options - in business, social sector or entrepreneurship. Graduates can also pursue higher studies either at Azim Premji University or elsewhere.

## Admissions

Applicants will go through an entrance test to assess their English language and quantitative capacities and written component to assess writing and analytical skills. Shortlisted applicants will be called for personal interview. The Application form is available on the University website. Benefit through our Early Admissions window conducted in December every year. SAT and other test scores will also be accepted.
