PRESS RELEASE

2 Day Workshops for Mathematics Teachers

Organised by Azim Premji University and Ramanujan Mathematical Society

Bangalore, 24 November 2015: Azim Premji University and Ramanujan Mathematical Society (RMS) have announced the second in the series of 2 day workshops for Mathematics teachers of class 9 to 12 at Bangalore on 11, 12 December 2015. The workshop will witness participation from around fifty teachers from neighbouring schools in the city. Two teachers from each school can participate in the program. The workshops will be held at MES College Malleswaram, Bangalore. The registration is now open and will close on 6th December 2015.

The main objective of the workshop is to provide a platform for Indian mathematics teachers from across the country to share and advance their knowledge and experience in the subject.

RMS sessions will be based on topics carefully selected to suit the teachers’ needs and interests. Azim Premji University’s sessions will be based on high school mathematics and is conducted in collaboration with At Right Angles, a high school mathematics resource which is a joint production of Azim Premji University and Community Mathematics Centre. At Right Angles is addressed to mathematics teachers, teacher educators and students connected with the subject.

Workshop Schedule:

Between 9.30 a.m. and 4.30 p.m.
